Football Squad To Start Training As Exams Are Called

Neil Gates, director of athletics at the Tahoe Truckee High School, this week announced that football practice will start on Monday, August 31 on the local field.

In preparation for the start of the season, physical examinations for the players will be held prior to practice. Boys whose last names start with A through M will take their tests Thursday, August 20, at the school gym. The following day, Friday, August 21, those whose names start with N through Z will take their examination. Examinations on both days will start at 7:30 p. m.

Uniforms to the Varsity team will be issued August 27 starting at 9 a. m. and to the Junior Varsity on August 28 at 9 a. m., Gates announced.

Coaches will be Guy Wilson, Dwight Souers, Bert Greene and Dave Garrison.

Eight Take Exams For Post Master

Eight local residents Saturday took the examination for postmaster at Truckee in the competitive tests held at the post office in Reno.

Results of the examination will not be announced for some time. In the meantime, Mrs. Louise McCallen, who was appointed to replace Richard Higgins, who resigned last winter, is acting postmaster in the local office and was one of those who took civil service examination Saturday.

Others were May Brethauer, June Shane, Phyllis Snyder, Roy Waters, Robert Schooley, Richard Paddock and Albert Pfaendler.

Youths Enjoy Two Outing Programs

The second campout of the season sponsored by the Truckee-Donner Recreation Department was attended by 58 youngsters and adult supervisors. The campout was held at Prosser Lake and was under the supervision of Loyd Hoofard and Dwight Souers, local high school teachers employed by the Recreation District for the summer program.

While on the campout the youngsters enjoyed swimming, hiking, fishing and various campfire activities. This completes the series of campouts for the summer program and each was enjoyed so much that several are being planned for the next summer program.

A hayride was held Monday night August 10, and took the youngsters from Van Sickle's Stables to the surrounding area of the community. Approximately 35 youngsters went on the hayride.

A swim party is being planned for Saturday, August 15, for the youngsters that have been participating in the recreation program this year as the last planned event of the summer recreation program of this year. It will be held at Island Beach of the Donner State Park, the same area that has been used by the Recreation Department for their program this year.

The hours of the swim party will be from 10 a. m. to 4 p. m. and transportation will be furnished from the Truckee Elementary School to the beach at 10 a. m. There will be no cost for the final event of the year.

YOUTH MINISTRY AT CHURCH PLANS HIKES

SQUAW VALLEY—The youth ministry of the United Church of Christ at Squaw Valley will sponsor a supper and hike for those of junior high school age, grades 6 through 8, Wednesday evening, August 19 at 5 p. m.

The second session of the daily vacation school will be held August 24-28 for those between 4 and 12 years of age between 9:30 a. m. and noon.

On Monday evening, August 17, the youth ministry will sponsor an overnight hike for those of high school age, returning to the church early Tuesday evening. Those interested should call the church office.

BUILDING ACTIVITY BRISK IN THIS AREA

Building activities in the eastern end of Nevada County continued to boom during July, according to a report from Jack Bergman, local building inspector.

During last month permits were issued for $129,550 in building and the fees totaled $927.80, Bergman said.

LAKE LEVEL

Daryl De Walt of Tahoe City announced the Lake Tahoe level on Tuesday was 6226.26 and the outflow from the dam was 450 cu. ft. per second. High temperature for the week was August 9 with 82 degrees, the low on August 5 was 44 degrees.

Hunter Training Is Planned For Next Week In Truckee

The department of fish and game will hold a hunter safety training course in Truckee, on Wednesday, Thursday and Friday, August 19-20 and 21st. The classes will begin promptly at 7 p. m. and will end about 9 p. m. All three classes must be attended in order for junior hunters to receive their certificates. No firearms or guns are to be brought to the class and all materials needed will be furnished by the instructors.

Only those hunters between the ages of 10 and 17, inclusive, who have not been certified will be allowed to take the course. Those who have taken the course in the past and have received their certificates or hunting licenses will not be allowed to participate because of space limitations.

The classes will be held in the Veterans Memorial Building in Truckee, starting at 7 p. m. Wednesday, August 19th.

A new law, effective July 1, requires everyone under the age of 18 who has not had a California hunting license previously, or has not received hunter safety training, must attend the course in order to purchase a California hunting license.

Paul Doyle Named On District Board

Paul Doyle of the D&D Agency has been named to replace Charles Spillner as a member of the board of directors of the Truckee Public Utility District and Tuesday attended his first meeting in an official capacity.

Doyle is well known throughout the district and has taken an active part in community affairs.

LOCAL FORESTERS AT PLUMAS BLAZE

Truckee forest service officials and the inmate crew stationed at Hobart Mills were called to aid in suppressing the 170-acre forest fire in the Plumas National Forest near Quincy Sunday. Emery McCarroll of the Truckee station and Roger Johns of Tahoe were in charge of crews fighting the fire which was controlled Monday.

Henry Tocallini of the Truckee station said the humidity Sunday dropped to a new low of 6, creating the worst fire hazard day from a standpoint of weather on record.

VACATION SCHOOL IS PLANNED BY CHURCH

The Methodist Church of the Mountains announced that vacation church school will start August 24, continuing through September 4, classes convening at 9:30 a. m. until noon each day.

The theme this year is: Jesus, Learning about Him From Him. Scripture lessons, art, crafts, games, singing will be enjoyed by all ages. refreshments will be served.

Parents are cordially invited to attend and transportation will be provided by calling 587-3317.

STATE HEALTH HEAD TO VISIT IN TRUCKEE

Dr. Malcolm Merrill, head of the state department of public health, accompanied by Mrs. Merrill and Dr. Lloyd Bond, head of the contract division of the department, will arrive in Truckee Monday for a visit and conference with Dr. Ray Wiser, local health official and Cy Armstrong, area sanitarian. A tour of the Tahoe Forest Hospital will also be made during the visit.

CLAMPERS TO HOLD INITIATION SEPT. 5-6

Clampers from all parts of northern California and Nevada will be invited to the Clampation, sponsored by Chief Truckee Chapter No. 3691 scheduled for September 5 and 6 at a location to be announced.

Skip Guirle, secretary, said between 50 and 150 candidates for membership will be initiated and a barbecue will be held. Gene Foster is the noble grand humbug of the local organization.

Horsemen Wagon Train Plans Are Advanced In Meet

The board of directors, headed by President Dr. Ray Wiser, the Truckee Donner Horsemens Association Sunday furthered plans for the third annual wagon train which will be staged from September 4 through 7 between Reno and the Donner Memorial State Park.

Those wishing to sponsor a wagon are asked to contact the horsemen to learn details. The wagons, all expenses and a driver are furnished for the trip for $150, according to Henry Guirle, secretary. The wagons will be placed in first class condition prior to the trip by James McIver to prevent a breakdown on the trip.

Guirle said the association expects between 15 and 20 wagons to take part and each sponsor is permitted to use his own advertising on the covers. There will also be a number of horse riders escorting the train, as well as cooks, scouts, guides and other essential personnel.

Frank Snyder has been appointed to handle the traffic and routing for the train as its passes through Reno from the assembly point at the fairgrounds.

Guirle pointed out that insurance has been secured on all personnel taking part in the trek.

George Morey will be the wagon master.

On the final morning of the trip, a public breakfast will be served somewhere near Truckee and every-

Doc Thornton Gets Honor For Service

Charles (Doc) Thornton, forest service lookout at the Stateline station, was signally honored at a gathering of forest service personnel of the Truckee District last week when he was presented with a cash award of $150 for "superior performance."

The presentation was made by District Ranger George Steed at the gathering attended by some 60 personnel members and their families at the ranger station in Truckee.

Thornton, whose primary duty is to be on the lookout for fires in the forest, is also a "greeter" to the public and each day scores of visitors call at his station where they are greeted cordially and all their questions regarding his duties, etc., are answered.

The veteran lookout has also accomplished an outstanding job in his official duties, keeping alert and reporting accurately all signs of fires in his area. He left the station last week only when it was evident that there was no need for his immediate service and returned immediately after the dinner.

SITES ARE SELECTED FOR SEWER DISPOSAL

AUBURN—The Placer County Board of Supervisors has given approval to the possible export of sewage effluent from the Lake Tahoe basin to one or more of five potential locations.

William Briner, Lake Tahoe member of the board, said that at a recent meeting in Reno with representatives of Engineering Science, Inc., and California officials and representatives of the Tahoe Area Council, the group was enthusiastic to hear a preliminary report on how the effluent can be transported from the water shed.

The possible sites for treatment and discharge are Washoe County n Nevada, the Rubicon and Truckee River watershed, Alpine Meadows and Martis Valley. Martis Valley was apparently the site offering the best location.

The Nevada County Board of Supervisors this week adopted a reso'ution objecting to the discharge of sewage effluent in the Truckee river basin.

Name Dog Catchers

The three constables in Nevada County have been named by the board of supervisors to be dog catchers in their respective areas. Constable N. F. Dolley of the eastern end of the county said he was not familiar with how the details of the assignment will be handled.

Water Ski Events Are Scheduled At Donner Saturday

The west's largest open Slalom Only water ski meet will be held at Donner Beach this coming Saturday at the west end of the lake.

The Donner Lake Water Ski Club is sponsoring their third annual Open Slalom Only Water Ski Meet, August 15.

The starting event for the one-day meet will be children's (13 and under) at 8:30 a. m. Following the youngsters will be the girls' and boys' division (14 through 17). Next events will be women (18-29) and novice men (18-34). Novice men includes anyzody who has not placed in any previous ski meets.

Men's class (18-34) will be the most spectacular, featuring such skiers as Ron Rupp from Homewood Water Ski School, Tahoe; Art Smrekar, number six in the nation; Norm Sayler, champion wat-

Attorney, Judge Argue Over Killers

U. S. Attorney Cecil Poole Friday defended the action of his office in dismissing bank robbery charges against three men who were convicted of murdering State Patrolman Glenn Carlson near Truckee in November last year.

Federal Judge Sherrill Halbert has critized the action and refused to dismiss the robbery charges.

Poole said he was satisfied that the ends of justice had been satisfied by the state courts.

Hulbert called the dismissal of the bank robbery charges a miscarriage of justice, noting that the killers were given life terms with possibility of parole in seven years.

The three, who were arrested following the slaying of Patrolman Carlson, were fleeing at the time from a Sacramento bank robbery. They are Roger Mealman, Robert Burns and Clifford Toycen, Jr. who were accused of taking $40,000 from the bank in Sacramento.

CHARLES OSBURN IS HONORED AT SESSION

Charles V. Osburn, Tidewater Oil Company distributor in Truckee, received certificate of participation in a marketing management workshop co-sponsored by Tidewater and the University of California from C. E. Bishop, Tidewater's distributor sales supervisor in the west.

The 3-day workshop held recently at Carmel Valley brought together 80 university faculty members, management experts, Tidewater marketing executives and distributors of Tidewater's Flying A products. One of a series of workshops being held by Tidewater, the program is the first ever held in the west for any oil company's commission distributors.

The session brought distributors up-to-date on good management practices in the realms of finance, personnel and sales.

SEMINAR PROPOSED FOR LOCAL OFFICERS

A seminar for local law enforement agencies to be held in Placer County, Tuesday, September 15, was announced by District Attorney Daniel Higgins of Auburn.

The one day seminar, one of the first of its kind in this area, is being sponsored by Senators Paul Lunardi and John Begovich along with Sheriff William A. Scott and District Attorney Higgins. It will include law enforcement officers of El Dorado, Placer, Nevada, and Sierra counties.

Purposes of the meet, according to District Attorney Higgins, is to acquaint local law enforcement with the purposes and objectives of other agencies with whom they work, to provide a wider knowledge of assistance available from state agencies, and to generally promote relationships and cooperation among all law enforcement agencies.

Mr. and Mrs. Paul Leake of Woodland and San Francisco have been sojourning at Homewood while recuperating from injuries sustained in an automobile accident. Members of their family have also been visiting the couple.

Rate Changes For Sierra Pacific Are Given Approval

SAN FRANCISCO—The California Public Utilities Commission today authorized changes in rates of Sierra Pacific Power Company, which serves electric energy to three zones in the Lake Tahoe area, north as far as Loyalton and Portola and south to the town of Markleville and the Antelope Valley in Mono County. The new rates may be made effective for service starting October 1 and will be the same throughout the three zones.

Sierra served 12,472 customers in California in 1962, of whom 10,714 were residential customers, 1749 were small commercial and industrial, 7 were public street and highway lighting, one was another public authority and one was a resale customer, Truckee Public Utility District. A total of 14,461 customers were estimated for 1964.

The overall effect of today's order is to decrease charges a total of $11,900 per year, or 4/10 of 1%, but the effect on customers is different in the three rate zones. The commission authorized 6.76 percent rate of return. Commissioner Everett C. McKeage dissented. He said he believes the rate of return authorized "is excessive."

Lake Tahoe Zone residential charges are reduced 6.4 percent while residential rates in the Mono and Truckee-Portola Zones are raised an average of 13.4 percent.

The company has proposed a 10 percent raise amounting to $94,300 for commercial and industrial customers, which was reduced to $77,500 due to the lower federal income taxes which became effective last January 1. The raise now amounts to 5.6 percent. Charges to agricultural power users were reduced $200 or 7.1 percent, while charges for resale, street lighting and other public authorities were not changed.

Queen Candidates Sought By Group

The Truckee Donner Horsemen are seeking more queen candidates to preside over the wagon train trip early in September.

Thus far three, Dorothy Cate, Sarah Van Sickle and Sally Rodriquez have entered the contest and Friday has been set as the final date for entering.

Applicants may apply to any of the three members of the committee, Mrs. Ray Wiser, Mrs. Lloyd Van Sickle or Mrs. Lona Boren for details of the contest.

CONTRACT AWARDED FOR HIGWAY PROJECT

SACRAMENTO — (CNS) — The state department of public works has awarded a $55,922 contract to PEMZCO, Long Beach, for repairing storm damage to the roadway and improving drainage facilities on Interstate 80 at the Alta Road, Baxter, and Troy Undercrossings and the South Fork Yuba River bridges.

TRAILER PARKING ORDINANCE PLAN

,NEVADA CITY—William Roberts, Nevada County Planning Director, has been instructed by the county planning commission to draw an ordinance to regulate the parking of trailers on private property outside the bounds of prescribed realms of mobile home parking areas.

VALUATION IS LISTED FOR NEVADA COUNTY

SACRAMENTO — (CNS) — The state board of equalization announced Nevada County has a total of $54,649,000 in assessed valuation for tax purposes for the 1964-65 fiscal year.

This includes $29,002,000 in county-assessed tangible property, up $6,498,000 from a year ago, and $15,647,000 in state-assessed utility property, down $283,0000 from the 1963-64 year.

For the state, the total was $32.3 billion in county assessed values and about $4.4 billion in state-assessed property, for a total of $36.7 billion. The board estimated this tax base would produce more than $3 billion for support of counties, cities, school districts and other special districts.

Facts On Freeway Are Aired; Writer Describes Details

By Henry C. MacArthur

SACRAMENTO—(CNS)—Straight facts with relation to a new highway on the west side of Lake Tahoe were presented this week by Robert B. Bradford in a report to Governor Edmund G. Brown.

Bradford's report should end controversies over the highway for the next decade or more. He said, "as our state highway planning program looks now, there will not be money to build this route for from 10 to 15 years."

The report dashed all hopes of residents in the area and the touring public of obtaining a new, safe road to replace the dangerous, slide-ridden highway around Emerald Bay, in a reasonable length of time. The highway already has been discussed for more than five years. If things work out, it might be constructed for the benefit of the next generation.

Bradford said specifically "there will be no four-lane scenic highway on the west shore of Lake Tahoe if a two-lane road will fill the needs of the area when the time for construction rolls around."

On the other hand, his report says on the basis of expansion and the general regional plan, "it is our opinion that ultimately a four-lane scenic highway along the west side of Lake Tahoe will be needed"'

Future events, he said, if they prove neither scenic highway is needed, "we will support any proposal to remove this highway from the state highway system."

He pointed out that while the state waits, land protected and—more—acquired for the proposed scenic highway will be kept in its natural state.

He also pointed out that two sec-

VFW Picnic Slated For August 22nd

CRYSTAL BAY — Lake Tahoe Post 7077, Veterans of Foreign Wars and Auxiliary made final plans at their meetings held on August 5th for the annual Children's Picnic to be held at Burnt Cedar Beach, Incline Village, Nevada. Over 200 persons including children from Reno and Carson City are expected. Food will be donated by local businessmen. Auxiliary members will supply salads.

Originally the picnic was held for crippled children and now includes underprivileged children of veterans and children from the Nevada State Children's Home. The picnic will be held Sunday, August 16th.

Also discussed at the Auxiliary meeting was the food sale to be held on August 22nd at the Safeway Store in Kings Beach.

The Auxiliary now has 36 paid up members, all expected to donate food for this fund raising project. Proceeds will be used for service activities. President Cleta Liddle closed the meeting to reopen on August 19th.

SMALL FIRE NEAR HERE IS FOUGHT

A small fire along the Southern Pacific a quarter of a mile west of the underpass on Highway 89 was quickly suppressed by the crews from the Truckee Ranger Station and the inmate crew from Hobart Mills Tuesday evening shortly before 6 o'clock.

The forest service reported this was the third fire along the tracks this year.

TRAFFIC IS DELAYED BY TRAILER MISHAP

Traffic on the west bound lane of U. S. 40 between Soda Springs and Norden was tied up for some time Sunday afternoon when a P. I. E. trailer overturned on the highway. The driver, Virgil James Ellis, 35, Berkeley, who escaped injury, told the highway patrol he swerved to avoid a collision and the wheels of the trailer dropped off the pavement causing the accident.

Home Again—

Mr. and Mrs. P. H. Greenhouse have returned to their Meadow Lake home, after extensive traveling.

Budget Cut Costs Truckee Deputies For Coming Year

The four additional deputies sheriff for the eastern end of Nevada County, tentatively approved in the 1964-65 budget, were lopped off at the meeting of the board of supervisors Monday in a drastic move to reduce the spending and hold down the tax rate for this year.

Chairman H. G. Loehr of Truckee said many other cuts were made in various departments including reserves, roads, hospitals and capital outlay. A slash of approximately $200,000 was made when it was found that under the tentative budget the tax rate would soar 60 cents.

With the cuts, the rate is expected to be in the neighborhood of six cents over last year's basic $2.51. This year's rate must provide for the payment of bills for a 13-month period and this accounts, to a large degree, the necessity for the increase, despite a boost of $6 million in the assessment rolls.

All the cuts, Loehr said, were on non-essential items, although many were desirable.

The four positions in the sheriff's department here had been proposed to man the new substation and keep it operative 24 hours a day with a complete radio communication system.

Rotary Governor Will Visit Truckee

John Vincent Lemmon, of Sacramento, governor of district 519 of Rotary International, world-wide service organization, arrives here Monday to visit the local Rotary club, one of the 49 clubs in his district. In addition to addressing Truckee Rotarians at their meeting, he will confer with Lyle C. Hubbard, president of Rotary Club of Truckee, and other club officers on Rotary administrative matters and service activities.

Lemmon is an attorney in Sacramento and is a member and past president of the Rotary Club of Sacramento. He was elected a district governor for 1964-65 at Rotary's 1964 convention in Toronto, Ontario, Canada, last June. He is one of 276 district governors responsible for supervising the activities of more than 11,800 Rotary clubs with a total membership of 553,000 Rotarians in 125 countries around the globe.

"The governor of this Rotary district," the president of the local club points out, "comes here not as an officer, but as a counselor

Star gazers should take advantage of these balmy nights to watch for satelites crossing the sky. For several nights we, and several others, have seen two of the satelites around ten o'clock at night. For better observance, find a spot that is not to brightly lighted, watch to the west to the left of the big dipper. It is a thrill for children, as well as adults, to watch the progress across the sky of this phenomenon. Makes one aware of the fact that the space age is here and not just something about which to read.

Tahoe Tavern—a landmark and a legend—and soon to be only a memory. The Tavern was the pride of the Sierra and known world over. However, the property has been sold to developers and the Tavern will be razed for condiminiums.

Built for the Duane L. Bliss family in 1901, with the annex added in 1906, and the Casino in 1907, and had a trestle pier which extended out into the lake. It also had its own laundry, water system, bowling alley, gift and barber shop, and ballroom which is the present theatre.

A "Farewell to the Tavern" party is being planned for over Labor Day weekend to benefit Spring Opera (San Francisco) and the Tahoe Improvement and Conservation Association. Saturday, Sept. 5th, starts the weekend with a gourmet dinner and preview of the champagne auction of the Tavern's effects. The auction will be on Sunday after brunch. The cost is $50 per person for accommodations and meals including swimming and tennis.

Nostalgia will undoubtedly assail many a mind at the thought of the close of this chapter in Tahoe history. The party should ease the pangs of farewell—Tahoe's Tavern going out in a blaze of glory.

"Brownie" an Marie Brown of Kings Beach entertained Cecil and Lois Brophy of Hammonton over the weekend. Cecil tells us the old hometown is disappearing into rockpiles—being dredged for gold after removal of all the houses, etc.

W. P. Hammon founded the town which was named for him at the turn of the century. The company, Yuba Consolidated Goldfields, built the houses, an office, a resort house, machine shop, boarding house, hotel, schoolhouse, townhall, post office, grocery store, barber shop, shoe repair shop, with movies, every Friday night, baseball diamond, tennis courts and a swimming pool. Water and electricity were provided by the company and rent was nominal. A place where taffy pulls, swimming, and chivaris were highlights of those days. And Erle Stanley Gardiner, the mystery writer, came second to his father in that village—his father was "the boss" who came from San Francisco each month.

Feel a little hint of fall in the air at times? Hard to realize that summer is gradually coming to an end. The lowering of the water is a lot earlier too this year, but it does give larger beach areas.

The Donner Lake Water Ski Club members have been working hard to get the course set up for the Slalom meet to be held Saturday at Donner Beach. They expect about 90 entrants to compete for the beautiful trophies.

A special clown act has been worked out and bare foot skiing will be an added attraction.

Miss Donner Lake, Kandy Board of Sugar Bowl will present the awards at the end of the meet.

A hot-dog and coffee booth will be set up which the Donner Lake Volunteer Fire Dept. Ladies Auxiliary will staff.

Come watch the meet and enjoy the fun.

Several families are enjoying the fine weather and good water skiing, swimming, horseback riding and fishing, using their summer cabins as home base. Among them are: the John Ofsenek's of Lafayette, the Herbert Britton's of San Carlos, the Lee Gleason's of Santa Rosa, the Bill Murphy's of San Francisco, the William Gottschalk's of Encino, the Ed Corum's of Sacramento, the Jim Cullen's of Belmont, and many others at Donner Lake.

SEEK BEACH AREA

AUBURN—The Placer County supervisors have authorized steps be taken to retain the beach area at Kings Beach for public use.

Supervisor William S. Briner reported the beach might be sold to private interests and suggested the county act to keep it under public ownership in honor of the late Joseph King, founder of the beach resort area.

Briner suggested communications be directed to Douglas A. Busey, attorney for the King estate, to determine if Mrs. King would donate the beach to the county.

OF
TRUCKEE SANITARY DISTRICT**

DECLARING TIME AND PLACE OF DISTRICT GENERAL ELECTION, PROVIDING FOR NOTICE OF ELECTION, DESIGNATING ELECTION PRECINCT, POLLING TIME AND PLACES, AND NOTICE OF APPOINTMENT OF ELECTION BOARD MEMBERS

WHEREAS, Section 6580 of the Health and Safety Code, State of California, provides for the election of officers of the Sanitary District on the second Tuesday of September in each fourth year, and

WHEREAS, the Truckee Sanitary District is a duly organized sanntary district, and now exists pursuant to the Act hereinabove referred to, and

WHEREAS, the year 1964 is an election year in said District for the purpose of electing two directors on the Board of Directors of said District;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF TRUCKEE SANITARY DISTRICT AS FOLLOWS:

1. That the District General Election in Truckee Sanitary District for the purpose of electing two directors will be held in said District on the 8th day of September, 1964.

2. That at said general election there shall be one voting precinct which shall comprise all of the territory within the exterior boundaries of said Truckee Sanitary District.

3. That at said general election the polling place shall be at the office of the Justice Court of Truckee Judicial District, in Truckee, Nevada County, California, and at said general election the polls shall be open from the hours of 7 o'clock A. M. to 7 o'clock P. M. of said election day.

4. That at said election, and as constituting the election board there shall be one Inspector and two Judges, pursuant to Section 6566 of the Health and Safety Code of the State of California, and the following persons are hereby appointed as such election board officers, and the Secretary of this District is hereby directed to so notify them of their appointment:
Lucille Bick Inspector;
Mrs. Geno Gini Judge;
Mrs. M. C. King Judge.

5. That pursuant to the provisions of the Health and Safety Code notice of election shall be given by postinng in three public places, said notice to be in substantial conformity with a copy thereof attached hereto, marked Exhibit "A", and by this reference incorporated herein.

6. That said election shall be for the purpose of voting on two directorships for the Board of Directors of said District, and nomination papers shall be duly circulated and presented for filing in accordance with the law applicable thereto.

7. That at said general election the ballots to be used shall be in substantial conformity with the following, to-wit:

OFFICIAL BALLOT GENERAL DISTRICT ELECTION FOR TWO DIRECTORS, TRUCKEE SANITARY DISTRICT TUESDAY SEPTEMBER 8th, 1964

INSTRUCTIONS TO VOTERS: To vote for a candidate of your selection to the office of Director of Truckee Sanitary District, stamp a cross (X) in the voting square to the right of the name of the candidate. Where two or more candidates for the same office are to be elected, stamp a cross (X) after the names of all of the candidates for that office for whom you desire to vote, not to exceed, however, the number of candidates who are to be elected.

(LEGAL NOTICE)

To vote for a person not on the ballot, write his name under that title of the office in the blank space or spaces left for that purpose.

If you wrongly stamp, tear or deface this ballot, return it to the inspector of election, and obtain another.

On absent voter ballots mark a cross (X) with pen or pencil.

POPULATION DECIDES STATE LIQUOR PERMIT

SACRAMENTO — (CNS)—While the state department of finance has listed its estimate of California's population as of July 1, a total of 18,234,000, the breakdown by counties will not be available for another couple of weeks.

The state department of alcoholic beverage control said it could determine at that time how many new liquor licenses will be available in the fast-growing counties.

Under present law, there may be one off-sale and one on-sale general liquor license for each 2500 residents in a county.

Gordon and Beverly Smith and children, and Gordon's mother, Mrs. W. D. Smith of Fort Worth, Texas, were guests over the past week of Harry and Ceta Hooper and sons Charles and Jon at Kings Beach.

Beverly for many years had a TV afternoon program on a Fort Worth station. Gordon is a portrait artist and has developed an almost lost art—the making of a medival type of stained glass window. It has been more than successfully received and Gordon feels well rewarded for his efforts in reviving this medium.

Glen and Flo Silvey and daughter, Cheryl, of Hayward were Sunday guests at the Hooper home.

Returning home just before the guests arrived was Captain Harry Hooper, who spent two weeks on naval duty.

Guests of Bethel Van Tassel at Tahoe Vista and Ceta Hooper of Kings Beach Thursday, were their aunt, Eva Holmes and son, Clifford V. Holmes, Hayward, and Mrs. Holmes' sister, Della Fowler of Oakland.

Clifford is a well known California artist, a native of Placer County, and has won two awards for oils at the California State Fair, as well as other awards at exhibitions in California and Arizona. He has just returned from a sketching trip to Montana, Arizona and Mexico. He is president of the Santa Cruz Art League and has art classes in Saratoga, San Jose, Manteca, Santa Cruz, Boulder Creek, Hayward, Castro Valley.

Friends of Clifford's who live in Oakland subscribe to the Sierra Sun and told him of the article which appeared in this column last year. They own paintings of his and were interested to know the information the article contained.

AUBURN—A 26-year-old Tahoe City man was booked at the county jail for rape last week after a young woman claimed he assaulted her in his car on a mountain trail.

Held was John D. Trabino. Officers said his alleged 25-year-old victim claimed he raped her after they switched dates at a Tahoe outing.

whatsdoing?

One of the most dramatic developments in telephoning promises to be the see-as-you-talk phone. We call it "picturephone" service. There's a demonstration hook-up working right now between the Bell System exhibits at Disneyland and the New York World's Fair. And if you're visiting either place, you can give it a try. Although picturephone sets for regular home use are still far in the future, they are already in commercial use on a limited basis between three public locations in New York, Chicago and Washington, D.C.

• • •

The first nation-wide telecast of a political convention occurred only 12 years ago. Like today's coast-to-coast telecasts, it was transmitted over telephone lines.

• • •

Smokey the Bear is hard at work again this year reminding everyone to be extra careful with campfires, matches, and smoking during the dry summer months. Let's all help Smokey have a successful year preserving our country's forests.

• • •

Here's an important reminder: September 10th is the last day you can register to vote in the general election of November 3.

• • •

If I asked you to describe the shape of a telephone manhole cover, chances are you'd say it's round. And you'd be right. But do you know why it's round? Safety is one good reason. No matter how you turn it, a circular lid can't fall into the hole it covers.

And here's a bit of irony: The automobiles which roll over the lids are in many cases getting acquainted with their future. Why? Because, old motor blocks are the most common source of the cast iron used in manufacturing new covers.

TAXES GROW FASTER THAN POPULATION

The principal tax revenues of local governments in Nevada County reached $3,605,869 in the year which ended June 30, 1964, according to California Taxpayers' Association. Local sales taxes are imposed by cities and the county while property taxes are levied by all local governments including cities, schools and special districts as well as the county government.

The 1964 figure represents a $986,545 increase over the $2,619,324 imposed for the year ending June 30, 1961. This three-year increase amounts to 37.7 per cent while population during the same period increased 14.1 per cent, according to the Association's analysis.

In neighboring Placer County, principal tax revenue of local governments went to $11,739,741 for the year ended June 30, a gain of $3,194,118 over the $8,545,623 for 1960-61, or 37.4 per cent while the population increased 20.6 per cent during the three years.

YOUTHS ARE WARNED ON HUNTING PERMITS

California's first major hunting season of 1964, the early coastal deer season, will open August 8 and there's a good chance that some youngster will have to spend the opening weekend at home instead of in the field, just because he didn't get the word.

And the word, according to the California Department of Fish and Game, is that for the first time, 16 and 17 year old hunters must pass a state-approved hunter safety training course or have a prior year's California license, to obtain a 1964 license.

Previously, this law applied only to youngsters under 16 years of age, but the 1963 legislature enacted a law upping the age limit to 18. The law went into effect July 1 of this year.

Hunter safety training courses are given regularly throughout the state by over 3,000 volunteer instructors. License agents and department offices have lists of hunter safety insructors and will be happy to give prospective students the names of local instructors.

The course is administered by the DFG and is designed to teach youngsters hunter safety and to instruct them in the safe handling of firearms.

Youngsters under 18 who have not taken this course and who have never had a California hunting license before are urged to make immediate arrangements to take the course.

It will be a big disappointment to a young hunter, with his sights set on a big buck, to learn he can't buy a license because he didn't get the word.

SIERRA PACIFIC IS INDEPENDENT WITH OWN POWER SUPPLY

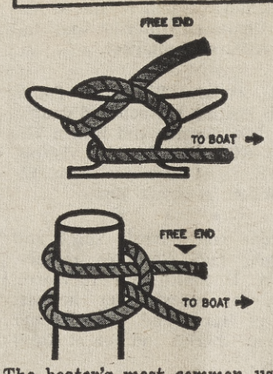

Sierra Pacific Power Company has flexed $13,000,000 worth of electric muscles to be sure that Northern Nevada can be electrically independent of power from outside sources in an emergency.

It was the first time since 1927 that the area served by Sierra Pacific has operated without assistance from the big power lines crossing the Sierra at Donner Summit.

"This test doesn't mean that Northern Nevada is completely independent of power purchased from outside sources, but it does mean that Northern Nevada will never again be completely without a source of electricity as it was when transmission lines across the Sierra were burned out by the Donner Ridge forest fire in 1960," said Neil W. Plath, vice president in charge of operations for the power company.

Plath explained that the interconnection with Pacific Gas and Electric Company, in California, is still a vital source of power that will continue to be needed into the foreseeable future. "The Donner Summit lines provide Northern Nevada with an independent source of energy that is very valuable to the area's rapid growth," he said. The test, as Sierra Pacific officials call it, occurred at about 2:30 a. m. Preparations were begun at midnight when the company's two "gas turbines" at Tracy Station were started to produce 24,000 kilowatts of electricity. Then the big $8,000,000 steam power plant at Tracy, which has been idling at 5,000 kilowatts, was instructed to go into full operation.

Boating Tips...

The boater's most common use for line is tying up to a dock. To do the job like a real "salt", learn these two simple hitches, suggest Mercury outboard authorities: use the upper knot in the illustration to tie up to a cleat. Pass the line around the cleat under both horns, then diagonally across the top of the cleat and under the first horn. Tuck the loose end under the line where it passes across the top. The more pull by the boat, the greater the holding power of the hitch—yet it can be loosened easily by tugging at the free end. Use the other knot, the clove hitch, to tie up to posts or piles. It consists of two loops with the free end tucked under. Don't use this hitch for permanent fastening, since it may eventually slip.

Payment for special clean-up jobs shall be negotiated and made at the time the services are performed.

2. Responsibility for and payment of the fees and charges established and applicable hereunder shall rest with and be paid by the person to whom such service is rendered; provided however, that where such service is being rendered to a premises containing or comprising two or more housekeeping units, apartments, or trailers, responsibility for payment shall rest with and payment shall be made by the owner and"or operator thereof.

3. That fees ando charges hereabove set forth for regular collection service shall be payable monthly in advance; and in the event that duly licensed garbage collector of the District shall elect, a security deposit not to exceed one month's charges may be required, which deposit in the absence of default by the person responsible for payment, shall be refunded, without interest, on the termination of services. The District Garbage Collector shall keep such deposits in a trust account and shall surrender the same to the District, on expiration or termination of said license or contract with complete details and records of the persons and/or premises to which each deposit relates.

IV. That Section 14 of Ordinance 5 be and is hereby amended and modified in the following respect:

In that the amount of the surety bond therein referred to be increased from $500.00 to $2,000.00

V. That Section 15 of Ordinance 5 be and is hereby amended and modified to read as follows:

SECTION 15. Every person, firm association, or corporation violating any of the provisions of this Ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed One Hundred Dollars ($100.00), or by imprisonment for a period not to exceed one (1) month, or by both such fine and imprisonment.

VI. That Section 16 of Ordinance 5 be and is hereby amended and modified to read as follows:

SECTION 16. If any fee provided for in this Ordinance is not paid within thirty (30) days from the due date thereof, a penalty of one hundred percent (100%) shall be added to said fee which shall be collected in the same manner as herein provided. Any person responsible for or by whom the garbage collection fee is payable, who, after notice given by the collector by bill rendered to such person or left in a conspicuous place on the premises, refuses or neglects to pay such fee, shall be deemed guilty of creating a public nuisance and liable to civil and criminal prosecution therefor, and service thereto may be severed forthwith.

VII. That except as herinabove specifically amended and modified, said Ordinance No. 5, and previous amendment thereto, to the extent not inconsistent herewith or in conflict with either State or local law, shall in all other respects remain in full force and effect.

VIII. This said Ordinance shall become effective upon the expiration of one week's publication as required by law, or September 1, 1964, whichever is later, provided however, that billings to owners or operators of premises containing two or more housekeeping units as specified in paragraph 2 of Section 12 (supra) shall not become effective until the billings of the first day of November or sixty days from the effective date hereof, whichever is later.

Stefanie Firpo Weds Duane Anderson In Local Ceremony

Sunday afternoon, August 9, at a four o'clock wedding performed before nearly a hundred relatives and friends, Duane Anderson of San Francisco, took as his bride Stefanie Elizabeth Firpo, with Rev. William Marx officiating at the rite.

White chrysanthemums and fernery formed the background for the ceremony in the home of her parents, Mr. and Mrs. Ignatius Joseph Firpo of Gateway Park.

The lovely bride was given in marriage by her father and had chosen a long sleeved gown of white lace, completing the ensemble with a veil of shoulder length. Her bridal bouquet was of stefanotis and roses.

Maria Victoria, her sister was the bride's maid, dressed in shell pink and carried red roses. Stephen Anderson acted as best man for his brother.

A reception followed the ceremony, the new Mr. and Mrs. Anderson cutting the first slice of the attractively decorated, tiered wedding cake.

Guests from out of town included the bride's grandparents, Mr. and Mrs. George Slater of Encinitas; uncles and aunts, Mr. and Mrs. Jack Rose, Mr. and Mrs. Al George, Francis Borielles, all of Oakland; Mr. and Mrs. Wayne Brown of Cresent City, Mr. and Mrs. Morton Kaer and daughter, Geri Pendergast of Weed; Mrs. Ralph May and Karen May of Dunsmuir; parents of the bridegroom, Mr. and Mrs. R. Anderson of San Francisco.

Mrs. Anderson is well known here, having graduated from local schools, Sierra College and now attends San Francisco State College. Mr. Anderson is a graduate of the San Francisco College, school of engineering and has accepted a position in his field in the bay city

After their return from a wedding trip, the newly weds will establish their home in San Francisco.

TINKER BELLES ARE BUSY AT HOSPITAL

On Tuesday, August 11th, 14 members of the Tinker Belles Garden Club met at the home of Mrs. L. E. Hadley on Donner Lake. Plans were made to do further work on the hospital grounds and to furnish comfortable chairs for the use of ambulatory patients in the fenced area where a big stone planter has just been completed.

It was reported that about $10 had been collected for the Pennies for Pines project, and that is enough to buy 1000 trees for reforestation. Plans were also made to investigate the cause of so many evergreens dying in this area.

The club voted to sponsor Miss Barbara McCallan for Queen of the Wagon Train Trek which will take place during the Labor Day holidays.

The field trip of August 25th will be a tour of the old Tahoe Tavern, so long a landmark, which is to be torn down at the close of this season.

Mrs. Hadley showed slides of the Caribbean, South America and Italy which were taken on the tour the Hadleys made this winter.

The next regular meeting will be held the second Tuesday in September at the home of Mrs. Walter Loynd.

From Carmel—

The Stuart Mitchell family of Carmel has been enjoying the mountain air at Donner Lake.

NOTICE

A special meeting will be held at 9 A.M. Friday morning, August 14 in the office of the Truckee Public Utility District for the authorization of a new water main to be installed between Spring and Bridge Streets on east Main in Truckee.

a FAMILIES MOVE

Mr. and Mrs. E. A. Lloyd will soon be settled in their new home, recently purchased from Mr. and Mrs. Lyle Westcoatt who are moving to Sacramento where he has been transferred with promotion by the California division of highways.

Facts On Freeway

(Continued from Page 1)

tions of the highway have been approved as to route; the third section, around Emerald Bay itself, where there is a controversy over a low level and a high level road, not having been precised as yet. The commission in adopting two precise routings is not prejudiced by the alternatives under consideration, he declared.

Plan of the commission is to acquire and protect rights-of-way for an "ultimate" four-lane scenic highway, with all the safety features of a freeway, he said.

But this does not mean it will be constructed. The need for both a two-lane and a four-lane scenic route must be demonstrated. The division of highways will work with all parties involved to determine the best ultimate course of action, Bradford said.

The highway administrator has been frank in outlining the specific situation. He has taken about the only course available for the time being, and as usual has emphasized the fact the highway commission will discuss the matter with all factions before the final eight miles of route around Emerald Bay is adopted.

Probably no highway in California has created as much controversy as State Sign Route 89, which is part of the California freeway and expressway system, and the scenic highway system adopted by the legislature.

There is little dispute that the road is needed now, rather than 10 to 15 years hence. But if funds are not available before that length of time, there is nothing the highway commission can do about the matter except secure and protect rights-of-way, which Bradford says it intends to do.

At least, Bradford's statement presents something for users of the Tahoe highway to anticipate for the future.

Canadian Trip—

Mr. and Mrs. Ray Davies of Orinda plan to arrive at Tahoe Vista this month, following a trailer trip in Canada.

er and snow skier from the Donner Ski Ranch, and many others.

Senior women (30 and older) and senior men (35 and up) will climax the day's events.

Kent Garrett and Bill Storrs of the Donner Lake Water Ski Club, will give barefoot exhibitions throughout the day. Garrett, Chuck White and Jeff Miller will attempt to do a three-man pyramid. Ron Rupp may display his championship trick skiing.

Trophies for first, second and third places will be awarded for each event at the end of the tournament by Miss Donner Lake, Candy Board. A special "can-up" trophy will be given to the person who makes the best, most spectacular fall during the meet.

Entries will be accepted up until ten minutes before each event starts. Those competitors under 21 years old will need a signed release from their parents.

Members of the Donner Lake Fire Department Auxiliary will have refreshments to sell both spectators and competitors alike.

Horsemen

(Continued from Page 1)

one is invited to join in the fun. It is also tentatively planned to have a flyin at the airport with the pilots and their guests invited to participate in the breakfast and later ceremonies at Donner Monument.

The Horsemen and their families Sunday enjoyed the hayride and picnic at Prosser Lake where games and entertainment was provided with the food and cold drinks. Walter Howato and his son, Martin, entertained with Indian dances. The two are Arizona Indians and their tribal names are Strongbow and Flying Eagle. They were guests of Lloyd Van Sickle who provided the transportation.

Two local young women, Sarah Van Sickle and Sally Rodriques are the first two candidates in the queen contest and others are expected to enroll this week, Guirle said.
